Release #03 - 2013

Monument Comments on GoldMet Disclosure: No Agreement Reached

Vancouver, B.C., February 8, 2013 – Monument Mining Limited (TSX-V: MMY and FSE: D7Q1) ("**Monument**" or the "**Company**") wishes to inform the market that while it is in discussions with GoldMet B.V. ("**GoldMet**"), a 26% shareholder of the Company, regarding GoldMet's previously-expressed concerns, no agreement has been reached. Accordingly, Monument disavows the disclosure made by GoldMet earlier on February 7, 2013.

Monument will update shareholders on the progress of its discussions as circumstances warrant. In the meantime, Monument continues with its development and financing plans for the Mengapur Project, as previously announced.

About Monument

Monument Mining Limited (TSX-V:MMY, FSE:D7Q1) is an established Canadian gold producer that owns and operates the Selinsing Gold Mine in Malaysia, with production cash costs among the lowest in the world. Its experienced management team is committed to growth and is advancing several exploration and development projects in Malaysia, including the advanced-stage Mengapur Polymetallic Project. The Company employs 280 people in Malaysia and is committed to the highest standards of environmental management, social responsibility, and health and safety for its employees and neighboring communities.

Forward-Looking Statement

This news release contains forward-looking statements and forward-looking information about Monument Mining Limited ("Monument"), its business and future plans (together, "forward-looking statements"). Forward-looking statements are statements that are not historical facts and include the timing and completion of the proposed programs and events, including the Offering. The forward-looking statements in this news release are subject to various risks, uncertainties and other factors that could cause actual results or achievements to differ materially from those expressed or implied by the forward-looking statements. These risks and certain other factors include, without limitation, regulatory and other risks related to the Offering; the outcomes of applications for renewal of property rights; government regulation of mining operations; and environmental risks. Generally, forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements, including but not limited to: general business, economic, competitive, geopolitical and social uncertainties; the actual results of current exploration activities; litigation risks; risks with respect mining licenses and exploration licenses; foreign operations risks; financing risks; other risks inherent in the mining industry and other risks described in the management's discussion and analysis of the Company, which is available under the profile of the Company on SEDAR at www.sedar.com. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
